Dear Ryan;

From the moment I received your phone call concerning your company's willingness to adopt families at our family development of Green Acres I knew it would be a lasting relationship between your company and the Fitchburg Housing Authority.

I would like to take this opportunity to say a big "Thank You" from the families who you helped to make their Christmas real special. Each family was delighted and overwhelmed with your generosity and compassion. Our goal at the Fitchburg Housing Authority is to prepare families to move from Green Acres Village into their own homes and to make a real difference in our community. I am sure that you and your employees were able to see the joy on the children's faces as Santa and his elves made their visit on that day. We have received several calls from the families expressing their thankfulness for all your kindness shared with them during their holiday season. Thank you for sharing your generosity with our families and we appreciate everything that you did to make their holidays brighter.

Please remember to send us over the photos so we can see the joy on their little faces. Let's keep in touch and continue this network of good working relationships, again, thanks to all and if you need to reach us our phone number is 978-345-5032.

Very Truly Yours,

Donna J. White
